

Dear Third Grade Parents,

The HSA will be having a Third Grade Moving Fourth breakfast at the end of the school year. This breakfast is only for the students. The committee will be surprising the children with a flash drive from their Stevenson years. The flash drive will be distributed to the children at the breakfast.

If you would like your child's photos included on the flash drive, please supply us with the following pictures:

- 1 baby picture of your child
- 1 individual photo of your child in **THIRD GRADE**. It can be a school picture or another photo of them at that age.
- 3 group shots of your child with school friends. Please refrain from multiple families sending in the same photos from the same event. To be fair to the entire grade, only one photo per group will be in the video.
- Total photos submitted 5 per child

****By sending pictures of your child, you are giving us permission for your child's picture to be used for this flash drive only.**** Multiple photos of the same children may not be included in the flash drive.

Please email photos to stevensonclass2019@gmail.com (please put your child's first and last name and teacher in the subject box).

Please send the photos at your earliest opportunity. The deadline for photo submission is **March 15, 2019. No Exceptions!**

If you have any questions, please send an email to contactus@fairfieldhsa.org.

Thank you,

The 2019 Third Grade Moving Fourth Committee
