### Fairfield Schools: Stevenson & Churchill

## The School Day Just Got Healthier!

Maschio's is committed to making a nutritious difference in your school. Your child will be satisfied with nutrient-dense, "right-sized" meals that include more fruits, vegetables, and whole grain-rich options. We know some highly active students, like athletes, may need more calories; therefore schools may offer second helpings of food components a-la-carte, including fruits, vegetables and lean proteins.

We take great pride in being able to offer your children healthier food choices so that they can fuel their bodies to get them through the school day and beyond! Making healthy choices and engaging in proper physical activity is a winning combination for another successful school year! As a team we can set up your students for a lifetime of health by implementing nutritious eating at home, at school and achieving an active lifestyle!
