

Dear Students,

The Moving Up 2nd Grade Breakfast (for students only) is being held on May 31st. In recognition of your hard work at Stevenson School, we would like you to make your own creative star.

To begin, start by cutting out the attached Star pattern. Trace it onto any color poster board. Cut the Star out and decorate it. Be creative! You can use markers, crayons, glitter, stickers and even photos of yourself!

The Stars will be hung in the cafeteria at school and will be displayed at the Moving Up Second Grade Celebration. They will then be yours to keep!

Please be sure to include your first and last name somewhere on the Star and write your teacher's name on the back.

Have fun!!

Due Date: May 8th, 2024

PARENTS: The purpose of the HSA providing the star is so that every child's star is the same size. Larger stars will be returned home and not displayed. Thank you.

The Fairfield Home and School Association
